This year's Leaf & String Festival will be June 8th & 9th of 2012!□

For ten years, during the second weekend in June, the Galax Leaf & String Festival has served to highlight the best our region has to offer. Originally created as a traditional music event, the Galax Leaf & String Festival, like our community, has continued to evolve into a showcase for all the things we take pride in, our music, our art, and our region - a great place to live and work

This year, Leaf & String promises to be better than ever with more acts, more activities and more fun for everyone. Chestnut Creek School of the Arts will be front and center promoting classes and enlightenment packages for all ages. We'll also have a full sampling of local music, luthiers, arts, crafts and regional and national authors on hand to meet and entertain you.

Local support is crucial to ensuring the success of this important tradition. If you would like to become a sponsor for Leaf & String, please call our Tourism Department at 276-238-8130 or write info@visitgalax.com for more information. For your contribution, you'll not only receive a host of valuable publicity and premiums, but also the pride that comes with being a patron of your community.

Come be a part of our success by supporting the festival that celebrates the past and illuminates the future. Leaf & String, a celebration of music, art & literature...and progress!
